

Career Central/ Student Council Lounge @ ISMB/ECCB, 2009

June 29th – July 2nd, 2009

The concept

Career Central/ Student Council Lounge @ ISMB/ECCB 2009 is an endeavor by the Student Council to address the needs of recruiters and job seekers at the conference. We will provide a forum for interaction, which will lead to matching up recruiters and job hunters. We will also be providing career counseling including career advice and resume critique services to students and post-docs searching for jobs. This will offer an added incentive for candidates to participate in Career Central/ Student Council Lounge. We are starting this year with a booth in the exhibit area and an additional room for presentations by recruiters. We will also be gathering resumes on-site and online from job seekers for sale to interested recruiters.

Opportunities for you

There are a number of ways your company/institute can get involved in this initiative. Please note that all activities will be advertised on the symposium website (symposium.iscb.org), to all attendees of the Student Council Symposium, to all students registered for ISMB/ECCB and in a Career Central/ Student Council Lounge promotional.

1. **Sponsorship**: Your company/institute can participate in Career Central/ Student Council Lounge @ ISMB/ECCB, 2009. Sponsorship categories and an outline of the benefits are described below. Please note amounts are shown in United States dollars.
